## Official Partnering Program Documentation and Registration:

Please complete the partnering program documentation on the following pages. This documentation will be verified with the authorizing agency(s) for accuracy before listing on the website or any other promotional materials.

There are two sections for registration; conventional and pervious concrete. You do NOT have to register for both at this time.

**Discounts on certification course fees will be granted to all member companies and approved registered promotion partners.**

By completing this registration information, you authorize the CRMCA and any of its affiliates or member companies to print and list, physically or electronically, or in any other way disseminate this information for the purpose of promoting concrete parking lots.
